

Janusz Poliński: International Railway Fair PRO // Motion. Expo, Shcherbinka, Russia

The biannual “Railway Fair EXPO 1520” (2021) – in the last edition named “PRO // Motion. Expo”, is a conference and exhibition event dedicated to rail transport of railways with 1520 mm track gauge. As in previous years, the fair was organised on 26-28 August on the area of the Experimental Railway Loop in Shcherbinka near Moscow. The main organisers of the fair were RZD Railways and the JSC Research Institute of Railway Transport (JSC VNIIZhT). During the conference, speakers from 25 countries delivered 100 papers. The exhibition part was presented on an area of 20,000 m² by 154 exhibitors.
